

Coming Together...

Exploring the Breadth
& Depth of
Homeopathy

This conference brings together some of the state's most dynamic practitioners. For student and practitioner alike, this promises to be a great event ~ a time to explore new ideas, renew old acquaintances, and explore our art & science from fresh perspectives.

We've selected Fort Mason Center as the venue for this year's conference. Much more than a full-service conference center, Fort Mason sits near the foot of the Golden Gate Bridge, close to popular attractions. From dining at the world-famous Green's restaurant to a day-trip to Muir woods, there's plenty to do within minutes of our conference site.

We'll see you in San Francisco!

A full list of nearby accommodations & transportation options is available at Fort Mason's website:
www.fortmason.org

See you in
San Francisco

May 3 & 4, 2008

**At the historic
Fort Mason Center**

A unique venue with a
breathtaking view of the
Golden Gate!
