

Keep our water clean

Return Unwanted Medicines

Skyline College

April 22~23, 2008

11:00 am - 1:00 pm

80% of U.S. waterways contain common medications!

Do your part to help the environment

- Drop off unused or outdated pharmaceuticals for safe disposal
- Learn about watershed pollution and environmentally safe methods to dispose of unused and outdated pharmaceuticals
- Enter a raffle for a chance to win \$100

GO GREEN!

Bring your unwanted:

- ✔ Prescription medications
- ✔ Over-the-counter medications
- ✔ Vitamins and supplements
- ✔ Liquid medication
- ✔ Medicated ointment/lotions
- ✔ Homeopathic and Herbal Remedies
- ✔ No Restricted Medication
